Additional Filing Requirements: If your committee receives a contribution or makes an expenditure in connection with a local or regional referendum/ballot question, any other primary not listed above (e.g., a **March 1, 2016 town committee primary**), or any other election not listed above (e.g., a **special election**), you are required to file a financial statement on the 7th day preceding the referendum/ballot question, primary, or election. The period covered will be the first day not covered on the last filed campaign finance disclosure statement through the 9th day preceding the referendum, primary, or election.

Which Form to File: With the exception of the filings due January 10 and the 7th day preceding the election, an ongoing political committee may use the “Short Form Campaign Finance Disclosure Statement” (SEEC Form 21) when it has not made or received contributions or expenditures in excess of \$1,000 from January 1 of the calendar year through the close of the reporting period covered by the statement and has not previously filed an “Itemized Campaign Finance Disclosure Statement” (SEEC Form 20) for a period covered in the 2016 calendar year. Otherwise, they must file the SEEC Form 20.

Committees should keep in mind that if they opt to file SEEC Form 21's, they will still be required to report *all* activity since the beginning of the year when they file their first SEEC Form 20. In the case of eCRIS users filing their first long form after having filed one or more SEEC Form 21's, the committee will be required to: (1) amend the SEEC Form 21 covering the period in which the first financial activity of the committee occurred for the year by amending the SEEC Form 21 to change it to a SEEC Form 20 and reporting that financial activity; (2) amend all subsequent SEEC Form 21's submitted after that initial SEEC Form 21 to change them to SEEC Form 20's and report any activity in those periods and also correct the summary totals, regardless of whether activity occurred in that particular period; and (3) after this "look back" reporting has been completed in eCRIS, submit the itemized statement (SEEC Form 20), covering the period laid out in the above calendar. If the committee is not filing by eCRIS, then its first filed itemized statement (SEEC Form 20) must cover a period that begins with January 1 as the start date.

Type of Report: The "Type of Report" corresponds to the financial disclosure reports required by General Statutes § 9-608 (a).

Period Covered: The "Period Covered" means the dates for which the committee must report all of its financial activity. The period covered must include the financial activity of the committee beginning the first day not included on the last filed financial disclosure statement and must be complete through 11:59 p.m. of the date of the last day covered. For example, the April 10 filing covers all activity starting at 12:00 a.m. on January 1 and ending at 11:59 p.m. on March 31 (assuming there is no special election or primary during this time).

Filing Deadline: The "Filing Deadline" is the last date on which the committee treasurer may submit its disclosure filing. In addition, the disclosure filing *may not be submitted or received* on or before the last day in the period covered. For example, the April 10 filing may not be submitted or received by the Commission's offices on March 31 or earlier, since it must cover the period ending on March 31. The earliest this report may be submitted or received is April 1. Statements not timely filed will be subject to a mandatory \$100 civil penalty.

When and Where to File: Statements are to be filed with the repository with which the committee is registered. If the committee's filing repository is the State Elections Enforcement Commission, then statements are considered timely filed if they are filed electronically via eCRIS before midnight on or before the filing deadline date or if they are *received* by the Commission's offices after the filing period has begun and by 5:00 p.m. on the filing deadline date if delivered by the United States Postal Service, courier service, parcel service or hand delivery. ***NOTE: Effective January 1, 2012, filings sent by mail are no longer considered timely if postmarked by the filing deadline date – they must actually be received by the Commission's offices by 5:00 p.m. on the filing deadline date in order to be deemed timely. Committees seeking confirmation of receipt should check their committee's filing status on [eCRIS's Document/Filing Search](#).**

If the committee's filing repository is the town clerk, then statements are considered timely filed if they are either postmarked by the United States Postal Service before midnight on or before the required filing deadline date or delivered by hand to the town clerk by the close of business on or before the required filing deadline date. Some town clerk's offices may not have office hours or may have shortened office hours on a filing deadline day. This does not relieve the treasurer of filing by the deadline, so be sure to confirm the office hours of the town clerk if delivery by hand is anticipated.

Footnotes:

1. Ongoing political committees are required to use the Itemized Campaign Finance Disclosure Statement (SEEC Form 20) for the January 10 filing and the 7th Day Preceding Election filing. The Short Form Campaign Finance Disclosure (SEEC Form 21) may not be used for these filings, even if the \$1,000 threshold has not been exceeded for the year. Once a committee files a Form 20, all subsequent filings must be Form 20's for the remainder of the year.
2. The 7th Day Preceding Primary filing is required to be filed by ongoing political committees that have made or received **any** contributions or expended **any** funds or incurred expenditures in connection with a primary, in any amount. The period covered ends **two days** before the filing deadline.
3. The 7th Day Preceding Election filing is required to be filed by **all** ongoing political committees, regardless of whether or not they made contributions or expenditures in connection with an election. The period covered ends **two days** before the filing deadline.

If you have any questions about filing requirements, or need additional forms, have questions about how to report certain contributions and expenditures, or have questions about other campaign finance laws, please call the State Elections Enforcement Commission at (860) 256-2940 or (866) SEEC-INFO.
